## Wheels

1010

Part #131010

10" puncture-resistant microcellular foam tire with sealed semi-precision ball bearings – never goes flat and performs like a pneumatic tire but doesn't require air!

1030

Part #101030

Strong, one-piece polyolefin hub with 10" puncture-resistant, shock absorbing, non-marking balloon cushion tires and double-groove ball bearings.

1060

Part #121060

4 ply rated, pneumatic tube-type tire with sealed semi-precision bearings and corrosion-resistant hub. Excellent shock absorption.

**Load Containment Arm**  
Part #302725

Helps hold product in place which reduces product damage and returns.

Comes with nylon cover

**Personalization Stripes**

Tough, durable vinyl stripes identify company and help deter theft.

**Keg Hook**  
Part #301121

Keg Hook - Holds keg in place securely; for use with 5 or 6 frame.

**E3 Steel Nose Plate**  
Part #300544

High-strength steel 14" wide available with recessed heel 7 1/2" deep or flush mount 9" deep.

**Sliding Keg Hook**  
Part #32511 4"  
Part #32513 5"

Sliding Keg Hook – Holds keg in place securely then swings out of way when not in use. 4" hook used with a straight side keg and 5" is used with the "barrel-style" keg.

## AXK1DC1

(Shown with optional carrier plate and deck sheet)

- 1,200 pound capacity – deliver more product in less time
- 360 degree turning – maneuver in tight spaces
- Glides over bumps and thresholds
- Use optional carrier plate to mount to delivery vehicle
- Non-marking casters keep store floors clean
- Perfect for delivery and warehousing

## Molded Engineered Plastic Curb Ramps

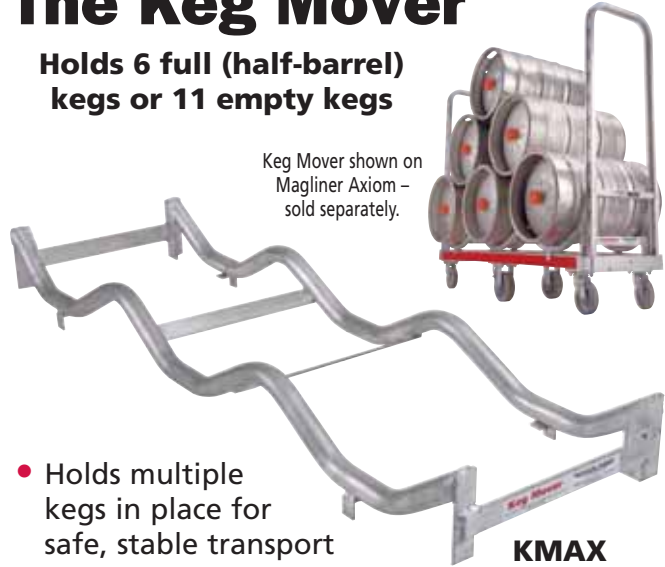

Part #PKR220

- Light and portable, easy to handle
- 600 pound capacity
- 27" x 27"

## The Keg Mover™

Holds 6 full (half-barrel) kegs or 11 empty kegs

Keg Mover shown on Magliner Axiom – sold separately.

- Holds multiple kegs in place for safe, stable transport
- Increases productivity – moves more kegs in less time
- Increases delivery flexibility – use increases productivity – moves more kegs in less time
- Stores conveniently

## LIFTKAR

### Powered Stair Climbing Hand Truck

#### Powering Your Productivity

- 375 pound capacity holds 2 kegs or 17 twelve-packs
- Curved-back for kegs
- Faster than a standard hand truck

#### Increasing Your Safety

- Reduces force needed to move loads up and down stairs
- Decreases back injuries and lowers Workers' Compensation costs
- Designed to reduce user fatigue
